

Last week, the Perry Village Police Department received numerous inquiries and complaints regarding the posting of photographs of female students (as well as recent female graduates) of Perry High School on the face book page of an unknown individual using an alias name and non-existent address.

The Perry Police Department takes such activities very seriously, and this matter is presently under investigation.

Every precaution has been taken to ensure the safety of the residents of the Perry Community and the students of the Perry School System.

In an effort to protect the integrity of our investigation and the privacy of those that have become innocently involved, no further information will be released at this time.

Any information obtained that may impact the safety and well-being of the residents of our community or students of the Perry Scholl District will be released immediately.

Michael G. Shank, Chief of Police
